**RE: Petition for Emergency Relief by Momentum Business Solutions, Inc.**  
**Docket No. 03-00038**

Dear Mr. Walker:

On November 25, 2003, you responded to a letter from Joe Werner, Chief of the Telecommunications Division of the Tennessee Regulatory Authority inquiring of the status of negotiations between the parties in this docket and whether your client wanted to pursue this matter or withdraw its complaint. In your response, you indicated that the parties were still attempting to resolve their disputes through the dispute resolution procedures which are a part of their interconnection agreement. For this reason, Momentum requested that the docket remain open for an additional period of time.

This docket has now been inactive for one year. Please provide a report within the next ten (10) days, advising the Authority of the status of this case and any reasons why this docket should remain open. If no response is received within that time frame, this docket will be placed on the agenda for the first Conference in March, 2004 to be considered by the panel for administrative closure.

Thank you for your attention to this matter. Should you have any questions regarding this matter please call me at 741-2904 x170.

Very truly yours,

J. Richard Collier  
General Counsel
